Alpha Omega's 2010 Red Blend Proprietary Red Wine stands out for its delineation and nuance. Clean veins of minerality support blackberries, tar, incense and asphalt in this beautiful, layered red. The 2010 possesses gorgeous mid-palate pliancy and depth all the way through to the resonant, highly inviting finish. In 2010 the blend is 49% Cabernet Sauvignon, 40% Merlot, 2% Cabernet Franc and 9% Petit Verdot. Anticipated maturity: 2012-2020.

I was deeply impressed with the wines I tasted from Alpha Omega this year. The estate's Cabernets are rich and full-bodied, yet also express plenty of site-specific character.
